**Hudson Restaurant & Lounge to Host Exclusive Holiday Dinner
Benefitting Lucky Dog Animal Rescue**

WASHINGTON, DC, Nov. 15 -- On December 1st Hudson Restaurant & Lounge will host an intimate four-course holiday dinner prepared exclusively by Executive Chef Ryan Arnold for sixty lucky guests. To kick off the holiday season, the dinner will be infused with the tastes of the season and include such delicacies as Parsnip Soup and Beef Short Ribs. However, there is no saying of what Chef Arnold may dish up to complete the menu, but it is sure to bring the guests on a journey of holiday flavors getting them into the holiday spirit.

The event is the first-of-its-kind to offer carefully selected wine pairings, DC's top talent performances between courses and great items guests may bid on from local stores in a silent auction. Hudson Restaurant & Lounge will have an open audition on Thursday, November 12th from 2:30 pm to 4:30 pm for classical dancers, musicians, comedians, magicians and many others.

All proceeds from this event will go to support Lucky Dog Animal Rescue – a locally based dog rescue organization. Lucky Dog Animal Rescue is a 501(c)3 non-profit rescue working to save shelter dogs from certain death. Since it's opening in May 2009, Lucky Dog has saved more than 700 dogs, and placed more than 600 dogs in loving homes; all of which were listed to be euthanized by the shelters they were rescued from. The organization is run and administered by unpaid volunteers only who spend their weekends accepting dogs at rescue transports, providing dogs with foster homes, and making sure the dogs are placed in new loving homes. To find out more about Lucky Dog Animal Rescue, please visit the rescue's website at www.luckydoganimalrescue.org.
